CPNI Compliance Certification

I hereby certify, as an officer of Texas Bigfoot Communications, LP ("TBC") that I have personal knowledge that, to the extent required by the rules and regulations of the Federal Communications Commission, TBC has established operating procedures that are adequate to ensure compliance with the rules in Subpart U – Customer Proprietary Network Information – of Part 64 of Title 47 of the Code of Federal Regulations. Attached to this Compliance Certification is a statement explaining how TBC operating procedures ensure that it is in compliance with these rules.

Name:

Title:  Vice President

Date: February 6, 2006

STATEMENT

Pursuant to Section 64.2009 of the Federal Communications Commission's ("FCC's") rules and regulations, 47 C.F.R. § 64.2009, Texas Bigfoot Communications, LP ("TBC") has prepared this statement outlining why its operating procedures ensure that it is in compliance with the FCC's Customer Proprietary Network Information ("CPNI") rules.

TBC does not disclose CPNI to any third parties or allow third party access to CPNI. Nor does TBC engage in outbound marketing that utilizes CPNI. TBC, however, trains its employees regarding the appropriate use of CPNI and will ensure that any employee that violates established CPNI procedures is appropriately disciplined. In addition, TBC will maintain a record of all instances in which CPNI was disclosed or provided to third parties or in which third parties were allowed access to CPNI;

If TBC decides to employ CPNI for outbound sales and marketing campaigns, it will:

- maintain a record of sales and marketing campaigns that used customers' CPNI;
- establish a supervisory review process regarding compliance with the CPNI rules with respect to outbound marketing situations and maintain records of compliance for a minimum period of one year;
- and require sales personnel to obtain supervisory approval of any proposed outbound marketing request for customer approval regarding CPNI.
